Task : VIDEO on INDUSTRY VISIT 1
Title : Visit To UTMDigital

Due Date :10 days after your visit to UTMDigital. Submit softcopy (e.g mp4)

via e-learning.

Instructions:

i. Students are required to prepare a VIDEO on Visit to UTMDigital.

- ii. The video contributes **10%** of the course assessment and is a **group assignment**. The video can be created using any related software and its content is based on visit to UTMDigital
- iii. The video includes:
 - a) **Introduction of your group and the visit**: Your group profile members, section, faculty, organization you visited, names and positions of faculty members who accompanied students, total number of people that took part in it)
 - b) **Overview of the Program/Visit**: Here you provide the timeline of the visit, enumerating, point by point, every part of your journey. Where and when you started. Give a glance of recording during the visit (activities, the department that you visited)
 - c) **Detail presentation on UTMDigital**: Visualize the more significant stages of your visit in greater detail. Describe company profile and structure of UTMDigital, their services and other related information. If you visited particular facilities, you enumerate them and their locations, mention staff members accompanying you during the visit and what new information you got in the process. Include recording on the interview that you conducted with any of the UTMDigital staff regarding appropriate information related to services delivered by UTMDigital. State the name and position of the interviewee, the list of interview questions and received answers
 - d) **The attended talk**: Describe when and where the talk took place, how long they lasted, who conducted them, what they were about, what you've learned, and your general impressions. Also include a glance of the recorded talk
 - e) Conclusion and Reflection: Include your impressions about the visit. Give opinions of the entire event: Do the activities give benefit to the student (whether it was useful or not), How do these activities impact on the outcome of the course/subject? Do you learn something impactful from the activity? Do the activities spark excitement/interest among the student? Do you feel that visiting the organization and attending the talk helps you learn the course material better? Provide justifications. You may also add other information

such as whether the UTMDigital's staff was helpful and supportive, whether you got any particular new knowledge and experiences from it and so on.

- f) The limit time for the video is **3 5 minutes**.
- g) Every group should create the video using your own works. PLAGIARISM of the content is prohibited. If any of the content is known to be copied from other group/resources, you will be given 0 mark.
